# Embroidered Patches

This is where it all started. From large bulk orders to small custom jobs, A-B's capabilities are unmatched. We guarantee rich texture & color with superior quality stitching.

## Woven Patches

When a graphic design does not work for embroidery, woven is an “on-trend” alternative method for making a beautiful patch.

Every stitch counts!

## Photo Patches

Photo patches and photo over (photo with embroidery) allow for small graphic elements and photographic details to be preserved. In this example, the sunset and sky were printed onto twill.

# Faux Leather Patches

On-trend styles from A-B Emblem. Looking for something new and different? Faux leather or suede is an excellent choice.

Every stitch counts!

# Rubber PVC Patches

Another on-trend emblem style. Available with hook backing if desired. Also popular for key chains, magnets and luggage tags.

## Patch Backing Options

A-B has many backing options available including sew-on, iron-on, VELCRO Brand, and pressure sensitive adhesive (aka peel & stick). Talk to us about how the patch will be used - and we'll advise the best option.

## Enamel Pins & Coins

Enamel pins are affordable, great looking. Used for professional as well as casual wear. A-B offers rubber and metal clutch styles.

Every stitch counts!

## Beanies with Folds

Beanies with patches, woven or faux suede folds attached. An on-trend, turnkey product from A-B Emblem. We offer high quality and affordable pricing.

Every stitch counts!

## Baseball Caps with Emblems

Patches and hats were made for each other. This is another on-trend style that beats direct embroidery by a longshot. Let A-B source your caps, make your patches and attach them.

Every stitch counts!

## Key Rings, Clips and Fobs

Key rings, clips and fobs are our 2nd best selling product category. We have tons of options, great quality and reasonable pricing.

Every stitch counts!

## Luggage and Bag Tags

A-B's third best selling product category: luggage and bag tags. High quality embroidery makes for a superior product. Once a client does a first order, they are hooked. Great re-order product.

# Lanyards

Lanyards are often overlooked. But, it's a great way to do branding at work, a conference or a sporting event. Anywhere badges are worn, lanyards can be used to display them.

# Cloth Face Masks - New!

A-B's in-house design features a 2-ply, cloth face covering with custom printed, full color graphics and soft adjustable ear straps. The folded design is TRULY one size fits most. A wire nose insert prevents fogging of your glasses. Washable cloth design.

## Why You Should Be Working With A-B

High quality stitching, the industry's best patterns, competitive pricing, fast turn times and excellent customer service are what you can expect from working with us.

A-B Emblem provides an experienced, dedicated sales rep with a direct phone line and email. No jumping through hoops to talk to the same real person each time you call.

If you prefer email, then no problem. Our response time is ridiculously fast, regardless of how you contact us, and we know the patch business inside and out.

A-B Emblem is a privately owned and operated company, with more than 100 years experience producing embroidered emblems. Our factories in USA, Mexico and Asia give us incredible flexibility.

Have questions, or need advice? Please contact us via our Wholesale website, email or by phone.

## Packaging, Shipping and Turn Time

### Packaging

Need items bagged by quantities and barcoded with a sticker? No problem, we do that.

Please talk to us about how you want your product packaged. We can help. Our packaging is reasonable, and can save a lot of money and hassle later.

### Shipping

We ship FedEx from North Carolina. If you need tracking #'s or have questions, we are available to help!

### Turn Time

Normal production time on most items is 20-25 business days for import. Made in the USA can take longer due to our commitments on US Military & GSA contracts. So, please talk to your sales rep to get a timeline.

Depending on our load, we also have rushes available at 10-14 business days (import) and 5 business days (USA). Please check to verify availability.
